## TROCAIRE BOXES

**YOUR TROCAIRE BOX CAN MAKE A BIG DIFFERENCE**

**MORE THAN EVER, THE WORLD'S MOST VULNERABLE NEED YOUR HELP**

This Sunday, Pentecost Sunday we will have a Trocaire Box Drop-Off outside the doors of St. Cronan's Church between 12 noon and 1pm for anyone wishing to leave back your box and go.

### New Altar Furniture

The final part of the project to replace the Altar, Ambo and Chair was installed during the week. One of the things that we were asked to have as part of the replacement was to think about how the Sanctuary is used as a focus for prayer outside of Mass times. In the past, especially in the winter, the Sanctuary area was in darkness. This week we installed soft spotlights to highlight the Altar, Ambo, Cross and Tabernacle. As you can see from the picture they draw out the beauty of each of these. It will enhance the prayerful atmosphere of the Church and help those who come here to rest in the presence of God.

### Some food for thought... Considerations for the celebration of Mass in public

The 20<sup>th</sup> of July has been set as the date for the return of public worship. We are waiting on a document to be produced by the Irish Bishops Conference which has been prepared with the National Public Health Emergency Team (NPHE). What we are expecting to see in it is the following:

Social distancing of 2meters (6ft) must be followed. This will mean marking the places where individuals can sit and creating "family benches" where members of the same household can sit together. However this gives us a maximum limit of 130 in our Church! So how do we manage this situation?

- 1: We will need volunteers to act as stewards at all Masses. This is where I am appealing to the under 60's to take on this task.
- 2: There will be a limit of numbers which means that we have to organize who attends what Mass.  
So how do we do this in a way that is fair?  
In Germany you have to book which Mass you want to attend and when it is full you choose another Mass time. That's one option. We could just stop people entering and when we hit the maximum number, send people home to connect by webcam. Until there can be unlimited gatherings, put on an evening Mass on three evenings during the week as a Sunday Mass (ie: use the readings and prayers of the Sunday) so that everyone has an opportunity to go to a 'Sunday Mass'. These arrangements will be by local decision so we have to start thinking about them and realizing that as in everything else we are in this together.
- 3: After every Mass, the benches have to be wiped down. Again we will need volunteers assigned to each Mass. If we can't put together the volunteers as stewards and cleaners then we can't have Mass.
- 4: People will have to wear facemasks at Mass. It will be your own responsibility to bring a facemask and you wont be able to come in without one.

The Parish Pastoral Council are working on the layout of the Church and we will be asking people to take on the role of co-ordinating the volunteers. These are the first things that we as a Parish have to think about and as we get the guidelines from the Bishops Conference we have a clearer picture.

My Jesus, I believe that you are present in the most Blessed Sacrament. I love You above all things and I desire to receive You into my soul. Since I cannot now receive You sacramentally, come at least spiritually into my heart. I embrace You as if You were already there, and unite myself wholly to You. Never permit me to be separated from You. Amen.
